

0050 0011

Elko Co.

Item 29

NAME OF PROPERTY

The Ina and Mica Group

Philip H. Sharp - owner
Wells, Nevada

LOCATION

In the Ruby Range of Mountains, Elko County, Nevada, about 50 miles from Tobar.

GEOLOGY

Muscovite mica occurring in pegmatites. Individual mica books are small, having a maximum dimension of about 3" x 3" and are of inferior grade, possessing many structural imperfections and impurities.

DEVELOPMENT

A few pits and trenches.
