Mr. Seth Dunham
Beowawe, Nevada

Dear Mr. Dunham:

As the owner of the McKenon Antimony mine in Elko County, our Nevada State Bureau of Mines wishes to have information from you for its files on the location of and the geology of the mine, with a description of the workings and other pertinent data.

The U. S. Bureau of Mines examined your mine and will furnish us this general information if you will sign the request below, and mail it back to us. Please do so.

You will gain by having this information preserved in our own state files for future years, and nothing will be released that would hurt your business interests while it may result in placing you in contact with parties seeking mining property such as yours.

Jay A. Carpenter, Director
Nevada State Bureau of Mines.

To the U. S. Bureau of Mines:

Please release to the Nevada State Bureau of Mines the data as to the location, geology, mine workings, and other pertinent facts concerning my McKenon Antimony mine in Elko County as obtained by you in your examination of it.

Dear Sir:-

I am not the owner

of the Mc Kinnon Antimony Mine.

had a Lease and Option and Shipped 15 tons
of Ore to Leder Texas. This Lease Expired
in 1941. the formation is Lime Shale
the Ore was still going down but water was
encountered at 40 ft. which made the operation
unprofitable. Beth Dunham
