Box 273, Battle Mountain, Nevada.

*Humboldt Co.
Item 25*

LOCATION

On Alder Creek, about 10 miles southwest of Battle Mountain in Humboldt County, Nevada.

GEOLOGY

A granodiorite dike cuts metamorphic sedimentaries. Small veinlets and lenses of ore carrying about .12 oz. Au and 4.0 oz. Ag per ton occur on the footwall of the dike.

DEVELOPMENT

A 480 foot crosscut tunnel taps the dike 150 feet below the surface. Drifts 170 ft. disclosed 4 small lenses. A 100 ft. winze, with a 65 ft. drift at 50 ft. revealed no better results. No tonnage.
