J. F. WHITE, PROPRIETOR

ABSOLUTELY MODERN IN ALL ITS APPOINTMENTS.

TONOPAH, NEV.

Dear Mr. Blackburn:

Sending you 10 sampler. Six from the property of Silverine Pentalor and four from the Warrior property some four miles from the Dunnion Lead mine. These samples should determine wether a complete sampling of the properties is warranted. The geology and vein conditions in both instances are favorable.

Yours truly

Minnie Moore
