ELKO COUNTY  
BULL RUN DISTRICT

BIENNIAL REPORT OF THE STATE MINERALOGIST OF THE  
STATE OF NEVADA FOR THE YEARS 1871 and 1872.  
H. R. WHITEHILL

P. 22-23.

The Bull Run district is situated in the chain of mountains between the two forks of the Owyhee River. It was organized in 1869. It is well supplied with wood and water for all purposes. No mills have as yet been erected, but there is a fair prospect of one soon being brought here. A number of Chinamen are at work on the mines, who are developing good bodies of high grade ore.
