#### CERTIFICATE OF LOCATION OF LODE CLAIM

THIS IS TO CERTIFY that the DRISCOL 4

claim was located by Frank W. Lewis

on the LSC day of

July

19 63

The claim is situated in the Battle Mountain

Lander County, State of Nevada, East 1, Section 9,

T. 31 N., R. 43 E. MDM, with east side common to Driscol 2 west side.

The locator claims 1,475 feet in a North

direction and

25 ..... feet in a ...... South ..... direction from the point of discovery, with a width of

300 feet on each side of the center of the vein or lode along the entire length of said claim

The description and the location of the discovery work done upon the claim and the cost thereof is as follows: Cut near center along west end removed exceeding 250 cu. ft. of earth, rock, mineral and stone.

The corners and side centers of the claim are located and marked as follows

Northeast Corner Marked N E D 4

Northwest Corner Marked N W D 4

East Side Center Marked E S C D 4

West Side Center Marked WSCD4

Southeast Corner Marked S E D 4

Southwest Corner Marked S W D 4

Each of the above described monuments is a 4 by 4 post set solidly in the ground and surrounded by a mound of rock and earth.

All location and discovery work necessary to complete this location has been performed by

Sept. 3, 1963

Dated this 10th day of September 19 63
