Item 120

NAME OF PROPERTY

Midland and Northland Claims (formerly Buckingham Mining Company)

Stanley F. O'Leary - owner

LOCATION OF PROPERTY

Battle Mountain Range, Lander County, Nevada, 10 miles south of Battle Mountain, Nevada.

GEOLOGY

Country rock consists of a series of impure sandstones and shales overlain by Pennsylvanian limestone. Occasional short lenses of galena, sphalerite, and chalcopryrite occur in a steep dipping fissure vein.

DESCRIPTION OF PROPERTY

Property consists of 32 claims, two of which are considered in this resume. Principal workings include a tunnel, vertical shaft (85 feet deep) and several irregular short cross-outs and drifts. Mine filled with water to within 18 feet of collar of shaft.

PRESENT AND POTENTIAL ORE RESERVES

Little, if any.

ANYTHING ELSE RELATED TO THE PROPERTY ITSELF

Nothing
