Sec. SE/4,36, T 41N, R 32E

Coordinate (UTM):

North 4 5 8 1 3 2 5 m

East 0 3 8 8 2 0 0 m

Zone 11

DEVELOPMENT: Remains of dilapidated shack. Open shaft uphill from it approximately 150 yards. Shaft is open & vertical. Maybe 50-75 ft. deep. Supposed to be a shaft along road but **continued below....

ACTIVITY AT TIME OF EXAMINATION: None.

GEOLOGY: Bleached & highly Fe-stained rhyolite. No basic dike material observed in area.

** continued development..

didn't see it. May be caved. Few open cuts on hills to south of shaft & 2 shafts over ridge top to W-NW of Niebuhr Mine but these weren't visited.

REMARKS: Sample #2436
