The original field notes of the survey of the Bismark M. Co. Mining Claim from which this Plat has been made, have been examined and approved, and are on file in this office. And I hereby certify that they furnish such an accurate description of said Bismark M. Co. Mining Claim, as will, if incorporated into a patent, serve fully to identify the premises, and that such reference is made therein to natural objects and permanent monuments, as will perpetuate and fix the locus thereof. I further certify that the value of the labor and improvements upon the said Mining Claim placed thereon by the applicant and its grantors, is not less than five hundred dollars, and that said improvements consist of a tunnel cross drifts and stopes also a fruit shaft.

And I further certify that this is a correct Plat of said Bismark M. Co. Mining Claim or premises, made in conformity with said original Field Notes of Survey thereof.
