MADEN September 5th 1888
Alpheus Carrara
U.S. Surveyor Mineral Surveyor

The Original Field Work of the Survey of the Mining Claim of

Jacob J. Rauer
known as the Mount Castle Lodge
from which this plat has been made under my direction
have been examined and approved, and are on file in this office
and I hereby certify that they furnish such an accurate description of said Mining Claim as will, if incorporated into a patent,
serve fully to identify the premises, and that such return
is made therein to natural objects or permanent monuments
as will perpetuate and fix the location thereof.

I further certify that Five Hundred Dollars worth of labor has
been expended or improvements made upon said Mining
Claim by claimants or his grantees and that
said improvements consist of a timbered drift
soft in length and a drift
run from the Columbus ton
shaft

that the location of said improvements is correctly shown
upon this plat, and that no portion of said labor or im-
provements has been included in the estimate of expendi-
ture upon any other claim.

And I further certify that this is a correct plat of said Mining
Claim made in conformity with said original field work of the
survey thereof, and the same is hereby approved.
