

EXPLANATION

Trp

Rhyolite porphyry

Trt

Aphanitic rhyolite tuff

Rhyolite ash tuff

\ grd \ Granodiorite

65 Contact, showing dip

¥ 65

Fault, showing dip Dashed where approximately located

000

Fault breccia

60

Strike and dip of joints or fractures

Uranium minerals Showing intensity of mineralization

123

Inclined shaft at surface

Base from Company map Geology by R. M. Smith and H.K. Stoger, 1955

MOONLIGHT MINE, HUMBOLDT COUNTY, NEVADA
