To: Mr. A. J. Anderson - Mining Division

From: Mr. L. Bunker

Subject: 36 Unpatented Mining
Claims for sale - In 3 Parcels

Owner: Mr. Andrew Anderson (Mizpah Andy)
Tonopah, Nevada

Information given by Ira Jacobson of the
Tonopah Times.

Location: The three (3) parcels of claims are in the Divide
Mining District, in Esmeralda County, Nevada, a
few miles South of Tonopah.

These claims are near the heart of the Divide
Mining District which was a producer of gold,
silver, and lead.

See map attached - the claims are outlined in black.

Note: It appears that these claims are on patented claims.
Mr. Jacobsen reports that Mr. Mizpah Anderson
searched the files in Goldfield and the ground was
open.

Lambertucci Estate has one (1) claim that is in
this district and near these claims.

Hughes Tool Company has no claims in this district.

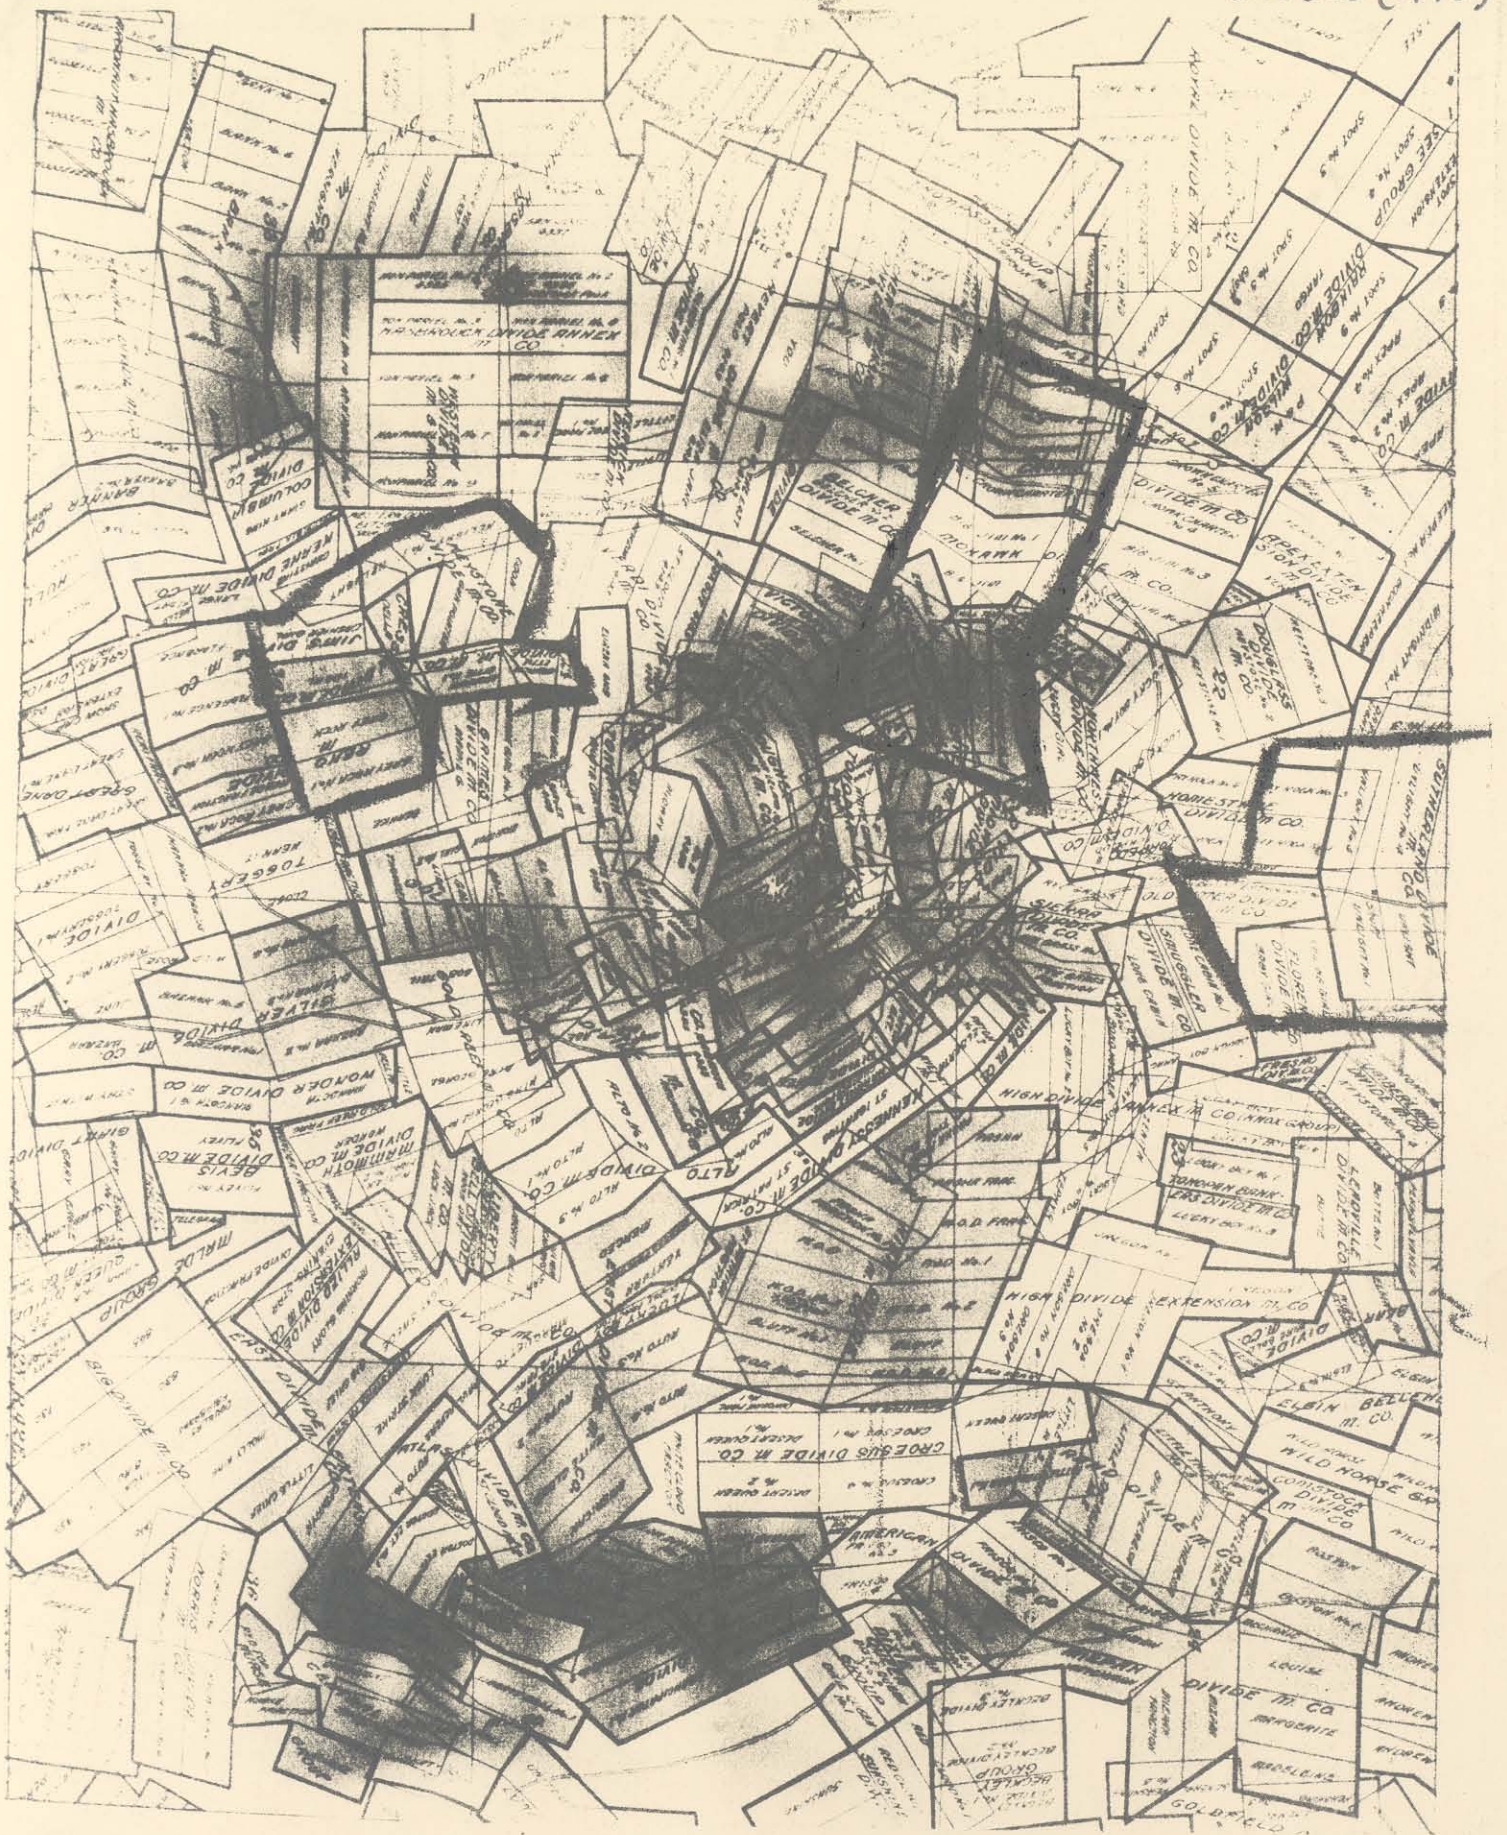

Price: Mr. Jacobsen reported that Mr. Anderson would
probably want \$200.00 a claim. This is not a
solid figure.

Report: The price is right. The property would have to be
checked out to see if the claims are valid. The
claims would need to be checked out in relation to
productive mines in the area and their own
possibilities in relation to their geology.

Respectfully,

To Mr. O. J. Anderson
Mining Division

6000 0333 (1490)

From - L. Bunker

Date Oct. 6, 1970

Subject = Mining Property - for sale.

Owner = Mr. Paul Aveline (a prospector and treasure hunter for 40 years)
General Delivery
Fallon, Nevada -
phone 423-4623.

History = The above subject makes a lengthy report on a big intrusion that contains a lost gold mine that runs over \$1000 a ton. He has it all checked out with his big W. Fisher scope. The general location is in the Fallon, Nevada area. He is offering the information to mining companies on a first come first serve basis.

Report = There are too many unknown factors and too much risk for the Hughes Tool Company to speculate in the area and ideas that Mr. Aveline presented in his letter.
