R.F.C. File Humboldt County
Item 23

NAME OF PROPERTY

Buccaroo Group

G. Earl Hagey and Howard E. Shove - owners
P. O. Box 816, Burns, Oregon

LOCATION

In Florence Mining District, Humboldt County, Nevada, 80 miles northeast of Winnemucca.

GEOLOGY

Four separate narrow fissure veins in quartz monzonite. The mineralization occurs in short narrow lenses carrying erratic values in gold, silver, and lead.

DEVELOPMENT

Development consists of four tunnels, drifts and raises, totaling several hundred feet. In addition, there are two small stopes. The property has produced a few hundred tons from two of the veins, the Oklahoma and Dorothy.

No estimate of reserves.
