# DEPARTMENTAL CORRESPONDENCE

DATE December 3, 1970

SUBJECT FOR SALE-18½ PATENTED MINING CLAIM - DUNDERBERG GROUP

TO Mr. A. J. Anderson DEPT Manager

FROM Mr. Lorin Bunker DEPT Maps and Research

Owner or Agent:

Attorney Gregory J. Chachas  
450 Aultman Street  
P. O. Box 537  
Ely, Nevada 89301

Telephone: 289-4447

Location of Claims:

In the Eureka Mining District Southwest of the town of Eureka, Nevada.  
In Section 34 & 35, T.19N., R.53E.

History:

This general area has been a major producer of lead, zinc, silver and gold. Nolan reports that most of the ore mined in the district was "irregular replacement deposits", and with depth good sulphide ores should occur. The old workings of the Dunderberg group went to a depth of 600 feet. The water table in the area should be a 1000 ft. below the old workings which leaves a 1000 ft. of unprospected ground above the water table.

An extensive development program is needed with an estimated cost of \$623,000.00.

Mr. Chachas would like to inspect the property with you.

Attached is a report on the area and the property.

Respectfully,

\_\_\_\_\_  
Lorin Bunker
