NAME OF PROPERTY

Lake Shore Mine

Clark
✓

A. W. Lawson, General Partner
109 South Second St.
Las Vegas, Nevada

Item 6

LOCATION

St. Thomas unorganized mining district, sometimes called Gold Butte unorganized mining district, Clark County, Nevada, about 60 miles from Boulder City.

GEOLOGY

Gold-bearing quartz lenses erratically occurring in a shear zone in biotite granite. The shear zone dips about 8° to the northeast.

DEVELOPMENT

Development work consists of numerous shallow incline shafts and short adit tunnels.

Ore reserves estimated at approximately 1,000 tons which might average 0.13 oz. gold per ton.
