CONSOLIDATED CHOLLAR GOULD & SAVAGE MINING COMPANY

1122 KOHL BUILDING
SAN FRANCISCO, CALIFORNIA

June 9, 1933

Mr. N. H. Getchell, Gen. Manager,
Gold Circle Consolidated Mines,
Midas, Nevada.

Dear Mr. Getchell:

I had almost given up hope of hearing from
you regarding your property in Gold Circle, which you mentioned
to me in the Golden Hotel in Reno sometime ago.

I have been out of town for sometime and only
got your report this afternoon upon my return to the office and
I am going to give it careful consideration, then take your
advice and see Andy Stinson on my next trip to Carson City,
which I hope will be sometime next week. Owing to my absence
from the city I shall be unable to find time to give this
matter the consideration it deserves before the end of the
week, but after I have done so I will drop you a line and we
will continue from there.

Thanking you for giving me this opportunity,

I wish to remain

Yours very truly,

CONSOLIDATED CHOLLAR GOULD &
SAVAGE MINING CO.
