MEMORANDUM

TO: Mr. A. J. Anderson
Mining Division

FROM: L. Bunker

DATE: August 3, 1970

SUBJECT: 7 Unpatented Mining Claims For Sale

Owner: Mrs. Sue Bergendahl
1405 Marshall Street
Houston, Texas 77006

Location: Gold Run Mining District, several miles South of Golconda, Nevada in Humboldt County. This area has produced gold and silver. Hughes Tool Company has 61 unpatented claims (the Summits and Blue Dans) in the same mining district. She did not know where her claims were located in the area, so was unable to associate the claims in relation to their location to each other. The name of her claims are the Joe Pete Nos. 1, 2, 3, 4, 5 and the Texas Nos. 1, and 2.

Report: Mrs. Bergendahl had very little information on her claims only that they were in the mineralized belt.

Note: She referred these claims to the Hughes Tool Company in the days of John Meier. At that time she reports sending a map and detailed information. Later she submitted the information again.

There may be something relating to this in your files, otherwise there is nothing on file in this office.

This information was secured from her by phone as you requested that I answer her call.

Respectfully,

L Bunker
