DATE: September 1, 1970

SUBJECT: 7 Patented Mining Claims For Sale in 4 Groups

Owner: Mr. Paul Kalinowski
14764 South Brand Blvd.
San Fernando, California 91340

Parcel No. 1:

Burnt Hills No. 1, Survey No. 2300 and the Burnt Hills No. 2, Survey No. 2300. Located in the Goldfield Mining District in Sec. 12; T3S; R43E. These claims are adjacent to the Burnt Hills claims owned by the Hughes Tool Company. They have no relation to the Columbia Fault. They would probably be of no value to the Hughes Tool Company at the present time. See map attached.

Parcel No. 2:

Thanksgiving Gift, Survey No. 2210. Located in the Diamondfield area of the Goldfield Mining District in Sec. 19; T2S; R43E. This claim is adjacent to the Great Bend claims owned by the Hughes Tool Company. This claim would be of no value to the Hughes Tool Company at the present time. See map attached.

Parcel No. 3:

Bazaar No. 1, Survey No. 4452 and the Bazaar No. 2, Survey No. 4452. Located in the Divide Mining District in Sec. 35; T2N; R42E. These two claims are not in the heart of the Divide Mining District and Hughes Tool Company has no claims in this area. These two claims would be of no value to the Hughes Tool Company.

Parcel No. 4:

Goldfield, Survey No. 2522 and the Nevada, Survey No. 2522 are located in the Gold Point on Gold Mountain Mining District. The claims are several miles Southwest of the town of Gold Point in T8S; R42E. There are no Hughes Tool Company claims in this district. These two claims would not be of any value to the Hughes Tool Company.

MEMORANDUM

TO: Mr. A. J. Anderson
Mining Division

FROM: L. Bunker

DATE: September 25, 1970

SUBJECT: For Sale = Two Patented Mining Claims in the
Goldfield Mining District and a Lot in the Town
of Goldfield.

Owner: Mr. & Mrs. Norman J. Khun
Star Rt. 1 - Box 729
Carson City, Nevada 89701

Note: In the days of Mr. John Meier this property was
considered and turned down. Owners request that
it be re-evaluated.

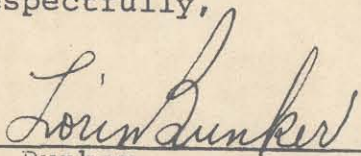

Location: The lot is a couple of blocks from the Goldfield
Hotel.

The claims are the First National No. 2246 and the
Big Lize No. 2516. They are not contiguous, nor
are they near any claims owned by the Hughes Tool
Company. They are located about a mile Northeast
of the Columbia Mountain.

Report: The claims and the lot would have no value to the
Hughes Tool Company at the present time.

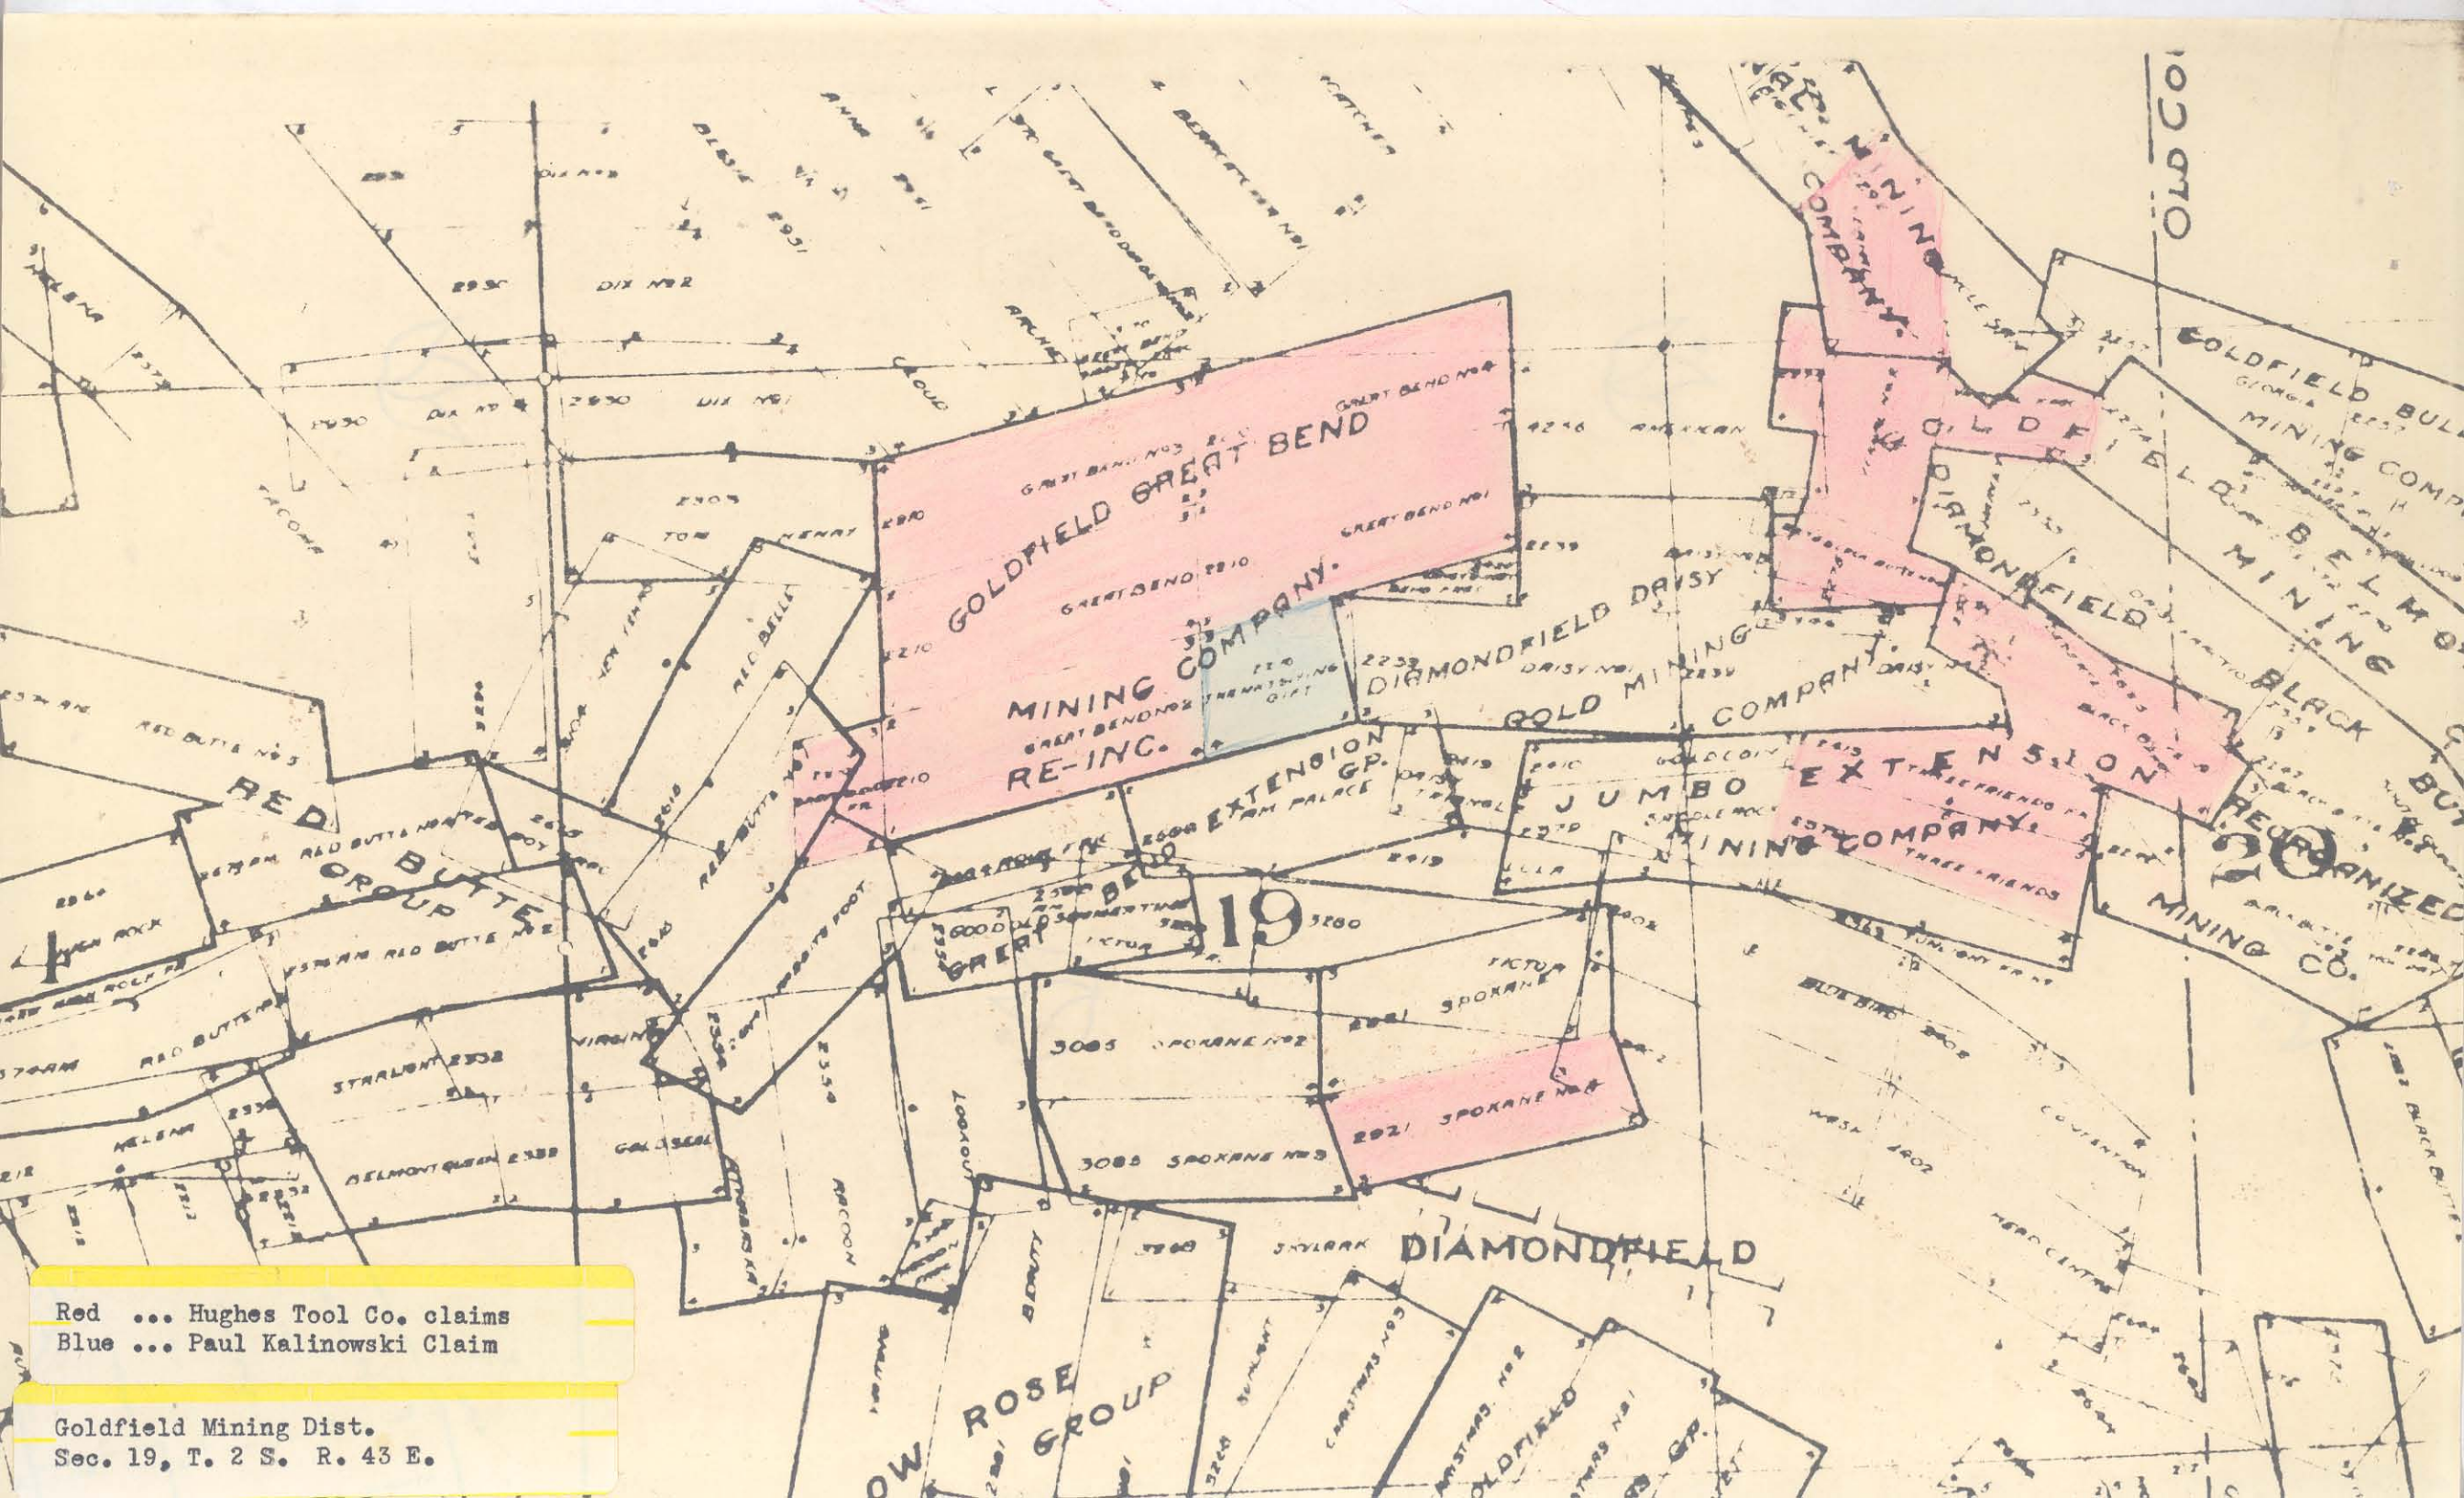

Attached in the folder are some old copies of the
Record of Patents that probably should be returned
to the owners.

Respectfully,

L. Bunker
