History: The mine is developed by an incline shaft to the 800 ft. level. Stations are cut at each 100' level. NOTE: This property was previously submitted by Mrs. Ruby L. Griffin of Silver Peak, Nevada, by her son, Mr. Don Shrider. If there is some interest in this property the original contract should be considered.

There is no information in our files as to the answer given Mrs. Ruby L. Griffin. Agent Tom Padden has submitted other properties which have been turned down.

Respectfully,
