MEMORANDUM

TO: Mr. A. J. Anderson
Mining Division

FROM: L. Bunker

DATE: June 15, 1970

SUBJECT: 1 Patented Mining Claim For Sale

Information on the claim was requested because the owners first letter did not give any details on the location of the claim.

Owner: Mr. Robert G. Garcia
17050 Walnut Avenue
Atascadero, California 93422

Location: The Excelsior No. 6, Survey No. 2947 is located in the Goldfield Mining District, in Sec. 31 and 32, T2S; R43E, Esmeralda County, Nevada.

Note: No price or terms is quoted. This claim lies about 9,600 feet Easterly of the North end of the Columbia Fault. Because of the location of this claim, it probably would be of little value to the Hughes Tool Company. The claim does not lie near any other cliams owned by the Hughes Tool Company in this district.

Respectfully,

L. Bunker

MEMORANDUM

TO: Mr. A. J. Anderson
Mining Division

FROM: L. Bunker

DATE: May 6th, 1970

SUBJECT: 1 Patented Mining Claim For Sale

Owner: Mr. Robert G. Garcra
17050 Walnut Avenue
Atascadere, California 93422

Location: The claim is in the Goldfield Mining District.
Name and survey number of claim is not given.
Unable to locate the exact location of the claim.

Report: As an isolated claim it probably has little value
to the Hughes Tool Company. However, if this
claim is located near the Columbia Fault and the
price was right it could prove valuable to the
company.

Suggest that inquiry be made as to the name of
the claim and the survey number so that its exact
location can be determined.

Respectfully,

L. Bunker
