MEMORANDUM

TO: Mr. A. J. Anderson
Mining Division

FROM: L. Bunker

DATE: July 17, 1970

SUBJECT: 60 Patented and Unpatented Mining Claims For Sale

Owner: Mr. Harry Boucher
7439 Jamieson Street
Reseda, California 91335

Phone: 343-6608

Location of Claims:

Owner reports that the claims are in the Goldfield and Goldpoint Mining Districts. They are supposed to have values in gold, silver and copper.

There is no detailed information given.

Report: These claims may not be of any interest to the Hughes Tool Comapny at the present time. However, the claims in the Goldfield area might have some value in the future according to their location in relation to the Columbia Fault and claims already owned by the Hughes Tool Comapny. I would suggest that more detailed information be requested for the file.

Respectfully,

L Bunker
