Hal:

Attached are xerox copies of portions of the Ely AMS sheet. I have marked on them the Illipah, Golden Butte, Easy Junior (Nighthawk Ridge) and Pan (Pancake Ridge and Dynamite Ridge) gold deposits.

I hope these provide the information you need. As I said, Alta Gold would be happy to provide tours to any or all of our deposits for you. Call me when you can fit it into your schedule.

Yours Truly,

ALTA GOLD COMPANY
