Item 3

Mining District: JOB PEAK AREA  
(Mercury)

T. 19-20 N., R. 33-34 E.  
Churchill County, Nevada  
AMS Reno Map Sheet 1971

#### GENERAL BACKGROUND

A small, underground mercury mine was reportedly operating in this area in 1965. The property was not visited and its exact location is not known. No production figures are available.

#### GEOLOGICAL AND TECHNICAL DATA

An aerial tramway and a 2-tube Rossi-type retort were in use in 1965.

#### POTENTIAL FOR DEVELOPMENT

Unknown; probably not economic at this time considering the size of the past operation and current depressed mercury prices.

#### COMPANIES AND CLAIMANTS ACTIVE IN AREA

Unknown.

#### SELECTED REFERENCES

None.

#### FIELD EXAMINATION

None.
