According to the Proof of Labor filed June 26, 1969, the Iron Top No. 4 claim is contiguous with the Silver Zone claims. The work was done as a block.

In the Decree of Distribution as recorded April 23, 1970, Mrs. Boscovich was set down a one-half ( $\frac{1}{2}$ ) interest in the above claim.

Please Note: The Certificate of Location and the Proof of Labor for the year 1964 call the claim name as "Iron Top No. 4".

For the Proof of Labor for 1965 and 1969 the claim is called "Iron Top".

The Decree of Distribution calls the claim "Iron Top No. 4".

This situation could be an open door for a claim jumper if the property is proven to be of value.

\* I skipped the intervening years and I did not feel it necessary under the circumstances.
