PROPERTY INFORMATION SHEET

No. 8

LEADVILLE MINE

Location: 35 miles north of Gerlach, Washoe county, Nevada.

Description of Property: 11 patented lode claims - 220 acres.  
5 unpatented lode claims - 100 acres.  
1 placer association - 100 plus acres.

Minerals: Silver - Lead.

Stage of Exploration: Preliminary geological studies are complete. Production records on file.

Title Information: Held under a least-purchase agreement. Terms are 10% royalty or \$10,000.00 per year, whichever is larger, to a pay-out of \$100,000.00.

Current Activity Status: Luna Mining Company, now leases the Leadville group and is mobilizing equipment to reopen the adit and winze. A 50 - 50 profit share after plant investment expenses is the principal clause of the agreement.
