

2930 0003

(200)  
item 3

M A N D I C H   G R O U P.

Alum Creek District,

LUCKY BOY - NEVADA.

LOCATION:

2-1/2 miles from Lucky Boy, near the south side of the old Bodie stage road; also part of property about 1/2 mile north of the stage road.

PROPERTY:

Mandich No. 1, Mandich No. 5, Mandich No. 6, Clayton, Davis and Bradley lie south of and adjoining the Bodie road. There are also four locations now under lease that lie 1/2 mile north of the stage road.

OWNER:

Dan Mandich, California born Servian, now living in Tonopah. Wants \$5,000. down, \$60,000. in two (2) years.

ORE & OCCURRENCE:

Small irregular bunches of quartz gangue gold and silver ore in fracture planes in limestone on the Mandich Claim No. 1. Some copper associated with the ore. A large barren quartz outcrop crosses the Bradley and may cross the Mandich No. 1 to the west of the incline shaft.

DEVELOPMENT WORK:

200 feet incline shaft, but no drift or crosscut work below the 100 ft. point. Bottom of shaft shows more solid country rock but less ore.

SUBMITTED BY:

A. E. Lowe & BEECRAFT. DAN MANDICH accompanied me to property on May 26th. and 27th. 1919. Not considered worth development.

W. H. BLACKBURN.
