CLAIMS OFFERED FOR SALE TO HUGHES TOOL

TO: Mr. A. J. Anderson  
Mining Division

FROM: L. Bunker

DATE: April 6, 1970

SUBJECT: 22 Unpatented Placer Claims For Sale

Owner: Mr. David E. Donald  
846 Elm Street  
El Cerrito, California 94530

Location: Claims are located at Manhattan, Nevada. Some of them are in the gulch and the others are on the bench.

History: Some of the area has been worked to a depth of 90 feet. There is evidence of gold on the bedrock below this depth. There are maps and drill logs available.

Report: There is no price or terms given. The Hughes Tool Company has 19 patented claims and 3 unpatented claims in this district. There is no information to determine if the offered claims are adjacent to the Hughes Tool Company claims.

From the meager report it appears that the bulk of the claims offered are too far out on the benchland to be of real value.

Respectfully,

*L. Bunker*
