Item 32

LONE MOUNTAIN DISTRICT was organized in June, 1869, and is situated about thirty miles in a northerly direction from the town of Elko. Considerable excitement prevailed incident to the discovery of this mining locality, but soon died out from the want of confidence. Wood is scarce in the district,

but water in sufficient quantities is obtained from springs in the immediate vicinity. There are four or five miners at work there at the present time. W. R. Litchfield was the first Recorder.
