MINERAL: Gold & Silver (Lode)

MINERAL DEPOSIT ALONG WESTERN PACIFIC RAILROAD PORTOLA TO WINNEMUCCA

PROPERTY NAME.

King Midas Group

LOCATION: Humboldt County, Nevada, 8 miles SE Pronto		LARGE
	DIMMEDIATE	MEDIUM
DISTRICT: Central (1/2 mile S. of Golden Eagle property)	NEAR FUTURE	☐ SMALL
MILEPOST:	DISTANT FUTURE	□ UNKNOWN

DESCRIPTION: Several shallow shafts, a number of short adits, and scattered surface workings totaling about 500 feet. No equipment on property (1938). The water available in the vicinity contains a considerable amount of arsenic and is unfit for domestic purposes. Water for domestic use is hauled from Pronto. Several narrow veins in shale and granite with variable strike and dip, occur on (over)

RESERVES: Production not known but apparently not large. Presumably played out with mines abandoned.

ESCRIPTION (continued) property. The gangue is white quarta and the values

ACCESS:

OWNERSHIP: 5 unpatented claims owned by Walter F. Fisk of Winnemucca. In 1937 under lease to R. W. Dougharity who was prospecting property with two sons. Dropped claims 5 or 6 years ago.

SOURCES OF DATA: U. S. Bureau of Mines Circ. 6995 (1938). (See also Eugene Mt. 15-min sheet)

ECONOMICS:

CONCLUSIONS: Geophysical and geochemical prospecting suggested for large low-grade ore body.
