MEMORANDUM

TO: Mr. A. J. Anderson
Mining Division

FROM: L. Bunker

DATE: September 27, 1970

SUBJECT: For Sale - 32 Unpatented Claims Showing Values
in Tungsten.

Owner: Mr. Joe Mendieta
415 Garrison
Winnemucca, Nevada

Phone: Imlay, Nevada 2551

Location: The claims are located adjacent to the Nevada-
Massachusetts Tungsten Mine in Pershing County,
Nevada about 12 miles from Mill City in Pershing
County, Nevada.

History: There is a 200 foot tunnel on the property which
shows good values under the black light. Otherwise,
the property has not been developed. The adjacent
property, the Nevada-Massachusetts Tungsten Mine,
is presently being negotiated for by Union Carbide.

Price: The owner wants \$150,000. He will take a small down
payment and let the mine pay off the balance.

Note: There is a paved road to the area and power and gas
are available.

This property may be worthy of inspection. However
it may not be worthy of consideration by the Hughes
Tool Company at the present time.

Respectfully,

L. Bunker

LB/sst

P.S. The map attached shows the location of the
claims.
