ABSTRACT OF REPORT

Name of Mine Palmetto Mining Co.'s property.

State Nevada. County Esmeralda.

Distant from Goldfield 50 Miles; from Blair 20 miles.

Kind of Deposit Fissure veins in lime shales and alaskite.

Valuable Metals Gold, Silver, Copper and Lead.

Extent of Property 12 patented and several unpatented claims.

Reported on by C. S. McKenzie Date July 11, 1915

Financial Proposition:

Exact financial proposition unknown. A Mr. Johnson has a long time lease and option on the mine from the Palmetto Mining Co. and various propositions have been discussed.

Mining proposition brought in by F. Mechling, Goldfield, Nev.

Abstract of Report: Date July 15, 1915 By F. Bradshaw

Mr. McKenzie concludes, after a short preliminary examination, that the veins are too irregular in width and the values are too erratically distributed to satisfy requirements, and recommends that nothing be done with the property.
