

3810 0011

PROPERTY NAME: Red Bird Mine

OTHER NAMES: Kluane Claims

MINERAL COMMODITY(IES): Cu

TYPE OF DEPOSIT: Fracture/veins in quartzite

ACCESSIBILITY: See topo sheet

OWNERSHIP: ?

PRODUCTION: Probably none or very small

HISTORY:

(159) Item 14
Lander

County:

Mining District: Ravenswood

AMS Sheet: Millett

Quad Sheet: Gilbert Creek S.E. 7 1/2

Sec. Uns. T 22N R 42E

Coordinate (UTM):

North 4 4 0 0 9 8 0 m

East 0 4 7 4 1 8 0 m

Zone +11

DEVELOPMENT: See remarks.

ACTIVITY AT TIME OF EXAMINATION: None.

GEOLOGY: Reddish-brown/white spots quartzite.

REMARKS: Could not find the shaft!! A relatively new dozer road run up to where shaft is supposed to be & I think that with the building of this road that the shaft was filled in. I did see Cu oxide in fact, in a quartzite in the road cut at about where the shaft was supposed to be.
