

3890 0015

NAME OF PROPERTY

Maricopa Group Mining Claims

The Austin Syndicate - owner
B. Koelliker and P. A. Rusch, Managers
4016 McKinney Avenue
Dallas, Texas

(160)
Item 17

LOCATION

Reese River Mining District, Lander County, Nevada, 4 miles from Austin, Nevada.

GEOLOGY

Fissure vein in metamorphics. Ore occurs in small lenticular bodies with the silver mineral argentite predominating.

DEVELOPMENT

Hundreds of feet of mine workings, including adit tunnels, an incline shaft, and an intermediate level 150 feet below collar of shaft. Most of mine workings inaccessible due to caving. No commercial ore opened up.
