F O R E S T   F L I N T   P R O P E R T Y .

REVILLE DISTRICT, NYE COUNTY, NEVADA.

August 6, 1919.

-----

LOCATION:           About five (5) miles south of Twin Springs, in the  
Reveille Range.

OWNER:            Forest Flint.    The property is now under lease and  
bond to Pete Fox who has a \$1750. payment to make to  
complete the deal.       At present, Wing and Glendenning  
are supposed to get 25 persons to pur up \$100. each to  
carry on the work.

PROPERTY:         Number and names of claims not obtained.

FORMATION:        Rhyolite, with possibly a quartz monzonite or porphyry  
contact.

DEVELOPMENT:      An incline shaft 170 ft. deep with short levels at  
100 and 170 ft.

ORE:              Small amounts of silver sulphides have been encountered.

CONCLUSION:       Not of sufficient merit to warrant development by  
our Company.

W. H. BLACKBURN.
