THE BLUE EAGLE FRACTION

We went through the records of the recorders of Churchill County but we were unable to find where the Blue Eagle Fraction was ever recorded, however, notice of Annual Proof of Labor for the year 1935 and 1936 was recorded on June 19, 1936. The Annual Proof of Labor covering work from July 1937 to July 1938 was recorded on April 17, 1939 with the notice that the expenses of said Annual work was by Edward Owens, M.P. Revsbeck, and Clay Mills in behalf of Edward Owens, owner of said claim.

N.R.A. FRACTION

#54533

This claim was located by M.P. Revsbeck for Edward Owens in 1934. No Annual Proof of Labor or exemption was ever recorded until April 18, 1939 covering the Annual Proof of Labor from July 1937 to July 1938. The Annual Proof of Labor shows that the work was performed by M.P. Revsbeck for Edward Owens, owner of said claim. Searching the records we found that the April Fool, the Noble Fraction and the South Guard Mining claims were never recorded.
