North Extension of the Yosemite Lode

Pershing
Sierra Mining District, Humboldt Co., Nev.
Surveyed by D. W. Johnson, U. S. Geol.

July 1873

Constituting No. 52 - A
Single 3000 ft. in size
Duration 15 sec.

The original field notes of the survey of the Homestake Gold mining
claim from which this plat has been made can be examined and
approved and are copied in this copy and I hereby request that you
furnish such an accurate description of said Homestake Gold mining claim
as will if incorporated into a patent warrant to calculate the same
and that such reference is made thereto by natural objects and permanent
monuments as will perpetuate and fix the locus thereof. Further, I do
request that the value of the labor and improvements on said mining claim be
not less than five hundred dollars and that the original Plat of said
Homestake Gold mining claim or premises, made in conformity with said
original field notes & survey, be recorded.
The Surveyor General's Office
Tyronia, Cal. Nov.
