Re: Dan Robb's request to purchase Lot  
21 and a 20' strip of land on the  
West End Addition

Dear Swede:

The above mentioned was referred to me by Mr. Elson  
for my opinion.

I agree with Loren Bunker's recommendation that the  
Company is not in a position at this time to enter-  
tain Mr. Robb's offer to purchase the properties  
and I would suggest that a letter be directed to  
Mr. Robb advising him that we have not fully deter-  
mined our needs for surface rights in the area and  
that until such a determination is made, we cannot  
offer any of the properties for sale or entertain  
his offer to purchase.

Yours very truly,

  
Joseph M. Foley

MEMORANDUM

TO: Mr. A. J. Anderson  
Mining Division

FROM: Leila M. Shrider

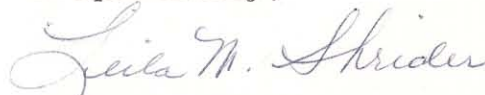

DATE: April 20, 1970

SUBJECT: Mr. Dan Robb - Purchase of Surface Rights of the  
West End Mining Claim

On April 15, 1970, Dan Robb called and inquired concerning the surface rights that he wanted to acquire on the West End Mining claim.

He wanted to know had I heard anything? He said, "Don't Bug Mr. Anderson", I was just curious.

Respectfully,

MEMORANDUM

TO: Mr. A. J. Anderson  
Mining Division

FROM: L. Bunker

DATE: April 2, 1970

SUBJECT: Sale of Lot 21 and a 20' Strip of Land

Applicant: Dan Robb  
P.O. Box 176  
Tonopah, Nevada

Report: I would suggest that Lot 21 and the stip of land not be sold. Hughes Tool Company may need Lot 21 as an entrance to the West End Dump.

If the proposed fence line was set back from the property line in this area, it would relieve the pressure that would be put on the neighbors thereabouts and there would be no need to sell the stip of land.

See Mr. Caselli's map and recommendations.

Respectfully,

*L. Bunker*

Mr. Dan Robb  
Edwards Street  
Tonopah, Nevada

Subject: Request to purchase Lot 21  
and a 20' strip of land on  
the West End Addition

Dear Mr. Robb:

I have been advised by the Las Vegas office of the Hughes Tool Company that at the present time the Hughes Tool Company Mining Division has not fully determined the future needs for the Tonopah operation.

Therefore, I have been instructed to inform you that the Hughes Tool Company is not interested in selling Lot 21 and a 20' strip of land on the West End Addition.

Sincerely,

  
A. J. Anderson
