CATEGORIES

	<u>Initial Production</u>	10,000 TPD +
	<u>Initial Capital Requirements</u>	\$50,000,000 +
<u>C3</u>	<u>Individual's position</u>	Claim or lease; map in detail, sample, evaluate and prepare reports.
<u>TREMENDOUS</u>	<u>Disposal:</u>	Arrange or seek transfer to Major Company for return of monies expended, plus minimum payments to apply towards asking price; asking price to be determined by a low percentage of estimated gross value of property.
<u>C2</u>	<u>Initial Production</u>	3,000 to 10,000 TPD
<u>VERY LARGE</u>	<u>Initial Capital Requirements</u>	\$20,000,000 to \$50,000,000
	<u>Disposal and Individual's Position</u>	as for C3, above
	<u>Initial Production</u>	1,000 to 3,000 TPD
	<u>Initial Capital Requirements</u>	\$5,000,000 to \$20,000,000
<u>C1</u>	<u>Individual's Position and Disposal</u>	As for C3, above
<u>LARGE</u>	<u>Initial Production</u>	500 to 1,000 TPD
	<u>Initial Capital Requirements</u>	\$1,000,000 to \$5,000,000
<u>B</u>	<u>Individuals Position</u>	As for C3, above
<u>SUBSTANTIAL</u>	<u>Disposal</u>	Depending on confidence and indicated 'odds', transfer to (a) established but medium sized mining corporation or (b) oil company seeking diversification OR (c) set up corporation to develop property, further, up to \$200,000 per property and then (d) operate or turn to (a) or (b) above.
<u>A</u>	<u>Initial Production</u>	100 to 500 TPD.
<u>SMALL BUT ECONOMIC</u>	<u>Initial Capital Requirements</u>	\$300,000 to \$1,000,000
	<u>Individuals Position</u>	As for C3, above.
	<u>Disposal</u>	Set up corporation to develop property up to \$100,000; positive results would then warrant further financing and group operation on one's own.
