June 16th, 1945

TO THE STOCKHOLDERS OF
SILVER DIVIDE MINES COMPANY

Dear Sir or Madam:

At a Special Meeting of the Board of Directors held this date, Assessment Number Six (6) of Two Cents (2c) per share was levied upon the outstanding stock for the purpose of paying outstanding debts of your company, and the purchase of the Bonanza Lode and Bonanza Lode No. 1, located about one (1) mile southwesterly of Silver Peak, Nevada.

These claims have numerous outcrops of gold, silver ores, similar to the ores of the district. One shipment of gold ore assayed in excess of 2½ oz. gold. We feel that with a small amount of development work large bodies of medium grade ore will be uncovered.

Our location places us very near to milling facilities that are now being completed as soon as materials are available.

Yours Very Truly,

SILVER DIVIDE MINES COMPANY

Per

Secretary.
