## INTER-OFFICE CORRESPONDENCE

To A. J. Anderson From Leila Shrider Office  
Office January 22, 1970 19

## Subject

CAROLYN-MAXINE, Situated in Sec. 13, 14, 23, 24; T3N; R42E.

1. The attached Certificates of Location are for: CAROLYN-MAXINE claims.
2. Locators: King Resources Company  
John W. McGuire, Agent  
100 Security Life Building  
Denver, Colorado
3. Type of Certificates: Multiple.

These certificates cover 150 claims. This is not all of the Carolyn-Maxine claims, but only the ones to be found to lie within Sec. 13, 14, 34, and 24; T3N; R42E; MDB & M.

I have noted at the bottom of each copy the time lapse between location and date of certificate.

You will please note attached to each certificate is a map of the claims with location work depicted.

The claims in the 100 group are also within these sections of T3N; R42E.

Respectfully,

Leila Shrider

MEMORANDUM

TO: Mr. A. J. Anderson  
Mining Division

FROM: L. Bunker

DATE: August 7, 1970

SUBJECT: The Carylyn M. claims owned by King Resources that overlap the T.K.E. claims and also claims owned by Hughes Tool Company.

Report: The location posts and notices for the Carylyn claims that overlapped the T.K.E. group, have been removed.

In group 11, owned by the Hughes Tool Company, and in the area of the King Tonopah Mine, the location posts of the Carylyn M. claims are still standing.

The Carylyn M. claims that are near the Tonopah King Mine are the C.M. 275, 276, 277 and 278.

The attached map depicts the area and roughly shows the Hughes Tool Company area that is overlapped.

More work needs to be done to determine what location posts of King Resources are still standing on Hughes Tool Company property.

Respectfully,

*L. Bunker*

---

L. Bunker

CERTIFICATE OF LOCATION--LODE CLAIMS

THIS IS TO CERTIFY, That the mining claims named the Carolyn-Maxine 38, 39, 40, 41, 42, 43, 44, 45, 46 and 47 were located by King Resources Company whose address is 100 Security Life Building, Denver, Colorado 80202 on the date of March 23, 1969.

The claims are located in the Tonopah Mining District, Nye County, State of Nevada, and are more specifically located (see accompanying sketch) in Section 1, Township 3 North, Range 42 East, M.D.M.

The general course of the lodes or veins is north-south.

The locator claims 1500 linear feet per claim along the course of mineral bearing ledges, lodes, or veins, extending as shown on the sketch, together with 300 feet on each side of the centers of the ledges for the entire length of the claims. The discovery work consists of trenching in CM # 41, as shown on the sketch, exposing ledge, lode, or vein in place.

The northwest corners are marked by post 4 feet high, inscribed "N.W. corner of corresponding claim": the southwest corners are marked by post 4 feet high, inscribed "S.W. corner of corresponding claim": the southeast corners are marked by post 4 feet high, inscribed "S.E. corner of corresponding claim": the northeast corners are marked by post 4 feet high, inscribed "N.E. corner of corresponding claim." There is also a post 4 feet high at the center of each side line. The discovery work costing at least \$100/claim has been done and the location completed.

CERTIFICATE OF LOCATION--LODE CLAIMS

THIS IS TO CERTIFY, That the mining claims named the Carolyn-Maxine 243, 246, 247, 248, 249, 250, 251, 252, 253 and 254 were located by King Resources Company whose address is 100 Security Life Building, Denver, Colorado, 80202 on the date of March 24, 1969.

The claims are located in the Tonopah Mining District, Nye County, State of Nevada, and are more specifically located (see accompanying sketch) in Section 23, Township 3 North, Range 42 East, M.D.M.

The general course of the lodes or veins is north-south.

The locator claims 1500 linear feet per claim along the course of mineral bearing ledges, lodes, or veins extending as shown on the sketch, together with 300 feet on each side of the centers of the ledges for the entire length of the claims. The discovery work consists of trenching in CM #251, as shown on the sketch, exposing ledge, lode, or vein in place.

The northwest corners are marked by post 4 feet high, inscribed "N.W. corner of corresponding claim": the southwest corners are marked by post 4 feet high, inscribed "S.W. corner of corresponding claim": the southeast corners are marked by post 4 feet high, inscribed "S.E. corner of corresponding claim": the northeast corners are marked by post 4 feet high, inscribed "N.E. corner corresponding claim." There is also a post 4 feet high at the center of each side line. The discovery work costing at least \$100/claim has been done and the location completed.
