County: Washoe  
Mining Dist.: Wedekind  
Name of Claim: Viola Mine  

Patent No.:  
Mineral Survey No.: 2065  
Former Owner:  
Location: Section 30  
Twp. 20N  
Range 20E  
Location in Dist.: Approximately one mile N. of the old Wedekind Mine.  

Equipment and Developments:  

Samples:  

Geology and Mineralization: This claim is situated in an area of Tertiary volcanics, (andesite and rhyolite.) In places the country rock has been heavily silicified and stand out as bold outcrops in contrast to the alluvial covered slopes that surround them.  

Remarks: Except for the Wedekind Mine and immediate vicinity, this district has had little or no production.
