Mr. Edwin Williams
W & P Mining Corporation

Oro, California

Dear Mr. Williams:

The assay results on the
five samples were finally received. They
are as follows:

W&P No. 1	0.630 MoS ₂
W&P No. 2	0.022 MoS ₂
W&P No. 3	0.138 MoS ₂
W&P No. 4	0.239 MoS ₂
W&P No. 5	0.360 MoS ₂

The results appear too low
for us to consider the property, at the price
and terms stated.

Best wishes.

Yours sincerely,
