

Plate 15 - Restricted lands. Areas in gray indicate lands that have various Federal restrictions to mining. Areas in purple are Wilderness Study Areas. Areas in tan indicate Indian reservations. Light blue indicates areas in Washoe County that have county development restrictions. Areas in black are urban. Water bodies are dark blue. Areas in green are managed by the U.S. Forest Service. Proposed roadless areas are outlined in red.

 Proposed Roadless Areas

Source data includes the U.S. Bureau of Land Management (BLM) land status map, BLM digital coverage of Nevada National Conservation areas, BLM Nevada Wilderness Areas, and BLM Nevada Wilderness Study Areas. Sources: [www.nv.blm.gov/gis/geospatial\\_data.htm](http://www.nv.blm.gov/gis/geospatial_data.htm). Urban area outlines area from the U.S. Census Bureau (2000). Area showing mine development restrictions in Washoe County supplied by Washoe County Department of Community Development (2006). Outline of proposed roadless areas provided to the Nevada Division of Minerals by the U.S. Forest Service.

Data compiled by Ronald H. Hess and Jonathan G. Price. Report prepared by the Nevada Bureau of Mines and Geology in cooperation with the Nevada Division of Minerals.
